### 6.2 **To approve the accounts for Charity account 307544; The Norman Foundation, (as Trustees)**

The Charity end-of-year accounts 2022/23 and the Annual Report were not available due to a bank statement not received. This is currently being re requested. Once the year-end statements are received, these will be presented to December or January Council, in time for the Charities Commission deadline (31/01/24). Last year's year-end was £50,596.16. There has been no expenditure, just interest to add to this; there are no other assets. No awards were made during that financial year.

An award was approved by the Trustees in July 2023, of £2,137.98 and this will be included in the report for 2023-24.

The Chairman of the Council, on behalf of the trustees, will sign the accounts as a true record of the Charity's financial position before submitting to the Charities Commissions.

Members are asked to note, and Council will confirm the accounting statements.
