10 **Consultations**

11 **Other Planning Business**

11.1 **Sevenoaks Town, following an in-depth project to identify local heritage assets by the Sevenoaks Society, want to encourage more entries from across the District.**

The following dates set out how they will be publicising the Local List over the next few weeks:

1 December – Release of the Local List submission form and Toolkit on their website

8 December – Article in InShape

22 January 2026 – Online information session for Town and Parish Councils

<https://www.sevenoaks.gov.uk/localist>

11.2 **Local Plan - Update**

During the consultation period, the Government announced proposed planning changes which may affect future decision-making, including:

- A potential 'default yes' for development within 800 metres (15 minutes' walk) of well-connected railway stations.
- Referral of refusals for developments of over 150 homes to central government for review.
- Strengthened powers to prevent call-ins and reduce delays.

The Town Council objects to the overall scale of development proposed for Edenbridge and to the loss of Green Belt, which it considers excessive. It recognises that some growth is necessary and does not oppose development east of Four Elms Road, provided it forms part of an integrated scheme with the permitted site and that all required infrastructure is secured, including extensive publicly accessible green space.

The Council opposes the following site allocations:

EDEN10 – Land at Crouch House Road

EDEN11 – Land at Lingfield Road

EDEN13 – Land west of Lingfield Road Recreation Ground

EDEN14 – Breezehurst Farm

EDEN15 – Land east of Mead Road

EDEN16 – Land at Swan Lane

EDEN17 – Seven Acre Farm (unauthorised additional pitches)

The Council is supportive of several of smaller-scale developments within the town, including redevelopment of the Leathermarket. These need to be appropriately designed and located. For all such sites, the Council has set out specific assurances it requires, including matters such as parking provision, enhancements to Green Belt or Conservation Area boundaries where relevant, safe access arrangements, pedestrian and cycle connectivity, and the provision or improvement of community facilities.

The Council has submitted its responses to SDC and is in the process of preparing its final responses in a format to publish on its website.
